Petition for Action on Supervised Release

COMES NOW Taron N. Seburn, U.S. Probation Officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Sedrick Demetrius Williams, who, upon an earlier plea of guilty to Possession of a Firearm by a Convicted Felon, in violation of 18 U.S.C. §§ 922(g)(1) and 924(a)(2), was sentenced by the Honorable William L. Osteen, Jr., Chief United States District Judge, on March 12, 2014, to the custody of the Bureau of Prisons for a term of 32 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for a period of 3 years. Sedrick Demetrius Williams was released from custody on February 5, 2016, at which time the term of supervised release commenced.

On August 28, 2017, a Violation Report was submitted to the Middle District of North Carolina advising that the defendant tested positive for marijuana use and cocaine use on August 21, 2017. The defendant was enrolled in substance abuse treatment and was allowed to remain on supervision.

On October 17, 2017, jurisdiction of the defendant's case was transferred to the Eastern District of North Carolina.

On October 30, 2017, a Violation Report was submitted advising that the defendant received a citation for Driving While License Revoked Not Impaired Revocation and Failure to Maintain Lane (17CR704918) in Edgecombe County, North Carolina. The case remains adjudicated, and the court agreed to continue supervision pending a disposition.

He also admitted to using cocaine on November 5, 2017, and he signed an admission of drug use report. The defendant received a verbal reprimand and was counseled for his actions. In response to his drug use, the defendant will remain in substance abuse treatment at Straight Walk Family Services in Rocky Mount, North Carolina, and will undergo increased drug testing as a condition of the Surprise Urinalysis Program. As a sanction, we are recommending the defendant be required to participate in the DROPS Program, beginning at the second use level, and be placed on location monitoring for 30 days. PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

While under supervision in the Eastern District of NC, the defendant shall participate in the DROPS Program and, in response to detected illegal drug use, shall be confined in the custody of the Bureau of Prisons for a period not to exceed 30 days of intermittent confinement, as arranged by the probation office, in the following increments: First Use - Two Days; Second Use - Five Days; Third Use - Ten Days; The defendant shall begin the DROPS Program in the second use level.
